

**ZMF**  
**CENTER FOR MEDICAL RESEARCH**

**20<sup>th</sup> ANNIVERSARY**  
**Thursday, July 4<sup>th</sup>, 2024**

Opened in 2004, the **Center for Medical Research (ZMF)** has become an integral part of the Med Uni Graz. Since then, further central research-supporting infrastructures have been implemented; e.g. Core Facilities, Biobank Graz and Biomedical Research Facility, to complement a comprehensive state-of-the-art portfolio of technologies, applications and expertise in the most relevant fields of translational and fundamental biomedical research.

## 20<sup>th</sup> ANNIVERSARY EVENT PROGRAMME

THURSDAY, JULY 4<sup>th</sup>, 2024

20th Anniversary Ceremony | *Aula*

Panel Discussion – Central Research Infrastructure

Afternoon: BBQ & Arts Workshop | *ZMF 1*

FRIDAY, JULY 5<sup>th</sup>, 2024

Open House & Lab Tours – Research Infrastructures and Core Facilities | *ZMF 1 & ZMF 2*

End: 12am

## SATELLITE PROGRAMME

WEDNESDAY, JULY 3<sup>rd</sup>, 2024

Austrian Bioinformatics Workshop | *Lecture Hall 2*

Keynote lectures and presentations in the field of Big Data Analysis –Topics: Transcriptomics/Proteomics, Single-Cell Transcriptomics, Image-analysis and 3-D modelling in (electron-)microscopy, machine-learning and AI tools for big data analysis, research data management, computational and data infrastructure.

Registration until 14.06.2024
