

EIMN 2026

2ND EUROPEAN IMMUNOMETABOLISM
CONFERENCE

Decoding the Interplay Between Metabolism and Immunity

10-12 June 2026

Parc Hotel Alvisse, Luxembourg

We warmly invite you to the **2nd European Immunometabolism Network Conference** held in Luxembourg.

This event explores the dynamic interplay between **immune responses** and **metabolic pathways** in health and disease.

It offers early-career researchers a **supportive space** to present their work, **connect with others**, and **receive valuable feedback** in a positive scientific environment.
